

Reenergi AS
Attn. Mr. Karl Sørensen

LETTER OF NO OBJECTION

Subject: Fuel additive
Brand: Mergi PFT

Dear Sir,

The information submitted to us of the above mentioned *Mergi* fuel additive has been evaluated by Wärtsilä Industrial Operations, R&D. In consideration of the information you have disclosed to us concerning the composition and properties of this product, we have no objection to the use of this fuel additive in the following engine types:

Wärtsilä® 20, 26, 32, 38, 46, 46F, 64, Vasa 22, 22/26, 32/32LN and Sulzer ZA 40

No Objection for other older engine types manufactured by Wärtsilä can be requested from Wärtsilä Services units being in response of a particular engine type in question.

Based on the received information supplied by *Reenergi AS* company, the question is about an ashless product, which is not expected to be harmful for an engine.

Wärtsilä does not take any responsibility for the function of this additive.

Wärtsilä Corporation disclaim any responsibility for damage or losses in case the customer uses a chemical fuel treatment during the engine warranty period.

The supplying fuel additive company undertakes all responsibility for the performance of the fuel additive in service to the exclusion of any liability of Wärtsilä Corporation.

Yours faithfully,

Wärtsilä Finland Oy
Industrial Operations / R&D

Kai Juoperi
Head of Engine Fluids
